NO FAVORITES.

Contestants Evenly Matched for Friday's Ring Contests.

Friends of Huihui say its a cinch he'll win but wherever they talk a denizen of Punchbowl bobs up serenely and offers to back Silva. The Portuguese claim that Silva is too wise to give Huihui any opening and will be able to stand all the punishment until he can get in one of his celebrated "demon" swings and then "Biff!" Huihui he go to sleep for good." Of course Huihui's backers and they comprise the whole native element, asse t that their man can walk round Silva and punch him just when and where he wants to. It will be an exciting contest without doubt.

Modlin and all Camp McKinley believe they can do up Castro but the little Filipino is as plucky as one of his native game roosters and in form has shown ability to hit as hard and get home as often as the soldier. The wise ones are laying back until after the first round of this contest before they place their money.

Barry seems to be the favorite in the main event with Kelly by right of his former victory, but it should be remembered that conditions are changed and not in Barry's favor Kelly is also in better physical condition and a conservative estimate would place the betting as even.

The box office sale for this farewell program opens tomorrow morning at the Orpheum at 9:30.

THE ADVANTAGES CEMENT ROOFING.

POSSESSES OVER

Tin, Iron and Steel Roofing

IT CANNOT RUST.

Gases, fumes, moisture, coal soot and smoke cannot injure or effect cement roofing.

It is better adapted for application over uneven surfaces, such as old shingles or metal roofs, obviating the expense of removing the same. It will not rattle from wind and storm, nor create any noise from rain falling upon it. The materials used in cement roofing are the best non-conductors of heat and cold known, therefore it will keep the building warmer in winter and cooler in summer than a metal roof.

Samples and full particulars mailed on request.

MRS. ASHE DEAD.

SAN FRANCISCO, May 28.—Mrs. Caroline Ashe, a leading figure in the most select local society of several decades ago, and mother of William Ashe, Porter Ashe, Gaston Ashe, Sydney Ashe, Mrs. Norman McLaren, Mrs. Harold Sewell and Miss Betty Ashe, died at an early hour yesterday morning at the residence of her daughter, Mrs. McLaren of 2315 Sacramento street. She had been ailing but a month. All her children but Mrs. Sewell were able to be at her bedside when she died.

Mrs. Ashe was a member of the notable Loyalls family of Virginia, was a sister-in-law of Admiral Farragut of Civil War fame, and was related to other prominent families of the South and several of the Northern States.

She came to San Francisco as the young bride of Dr. R. Porter Ashe, who was a Virginian and one of the foremost physicians of the old Dominion State when he married and departed for San Francisco.

From the establishment of Grace Episcopal Church Mrs. Ashe was closely identified with it, and was considered one of the pillars of the institution. The funeral services will be held at Grace church at 2 o'clock this afternoon.
